

# Let's call it what it is: Racial Discrimination.

Join us as we take action! The New York State Public Employees Federation is suing the state Department of Labor and its commissioner, Linda Angello.

State workers who process unemployment claims may become the unemployed. The DOL has decided to close its only New York City Telephone Claims Center, where the majority of the employees are minorities, and move the jobs upstate.

PEF with the support of other labor unions and concerned NYC residents will gather at Foley Square Park at 12 noon on August 2nd and file a racial discrimination lawsuit in State Supreme Court, across the street at 1pm.

**Let's stop the move of the NYC TCC and end racial discrimination.**
