It's a rally in any language.

WED. JUNE 15TH CITY HALL PARK NOON-2PM

Whether it's Russian, Creole or Chinese, state workers can answer the call. Yet the state Department of Labor plans to close its New York City Call Center and transfer the jobs upstate — jobs of workers who are multilingual and understand New York City's diverse labor market.

Join us for a 2 hour rally that can save more than 200 hundred jobs. Tell the Department of Labor, we need real people, not machines to answer calls from the unemployed.

Stop the closure of the state Unemployment Insurance Telephone Call Center.
